An interview with Mike Noble (Regata competitor for 8 years); Mike and his family live in Madeira Beach and own Nobility, a Morgan 41 Out-Islander.

What is your best experience with the Regata?;The winds were blowing about 45 mph, we were wing to wing surfing down a wave and the GPS hit 16.9 knots. It was a complete white out that came from out of no-where!

The Regata is a lot of fun, you can go as a family, with friends and can have a crew of all different race types. My Son was a crew member 3 years ago at age 8. It is a great competition! I am looking forward to many more memories sailing the Regata Del Sol and encourage others to get involved!
